SUBCHAPTER VIII—IMPACT AID

PRIOR PROVISIONS

Provisions similar to those in this subchapter were contained in chapters 13 (§236 et seq.) and 19 (§631 et seq.) of this title prior to repeal by Pub. L. 103-382, §331.

§ 7701. Purpose

In order to fulfill the Federal responsibility to assist with the provision of educational services to federally connected children in a manner that promotes control by local educational agencies with little or no Federal or State involvement, because certain activities of the Federal Government, such as activities to fulfill the responsibilities of the Federal Government with respect to Indian tribes and activities under section 571 of title 50, Appendix, place a financial burden on the local educational agencies serving areas where such activities are carried out, and to help such children meet challenging State standards, it is the purpose of this subchapter to provide financial assistance to local educational agencies that—

- (1) experience a substantial and continuing financial burden due to the acquisition of real property by the United States;
- (2) educate children who reside on Federal property and whose parents are employed on Federal property;
- (3) educate children of parents who are in the military services and children who live in low-rent housing;
- (4) educate heavy concentrations of children whose parents are civilian employees of the Federal Government and do not reside on Federal property; or
- (5) need special assistance with capital expenditures for construction activities because of the enrollments of substantial numbers of children who reside on Federal lands and because of the difficulty of raising local revenue through bond referendums for capital projects due to the inability to tax Federal property.

(Pub. L. 89-10, title VIII, §8001, as added Pub. L. 103-382, title I, §101, Oct. 20, 1994, 108 Stat. 3749; amended Pub. L. 106-398, §1 [[div. A], title XVIII, §1802], Oct. 30, 2000, 114 Stat. 1654, 1654A-368; Pub. L. 108-189, §2(f), Dec. 19, 2003, 117 Stat. 2866.)

§ 7702. Payments relating to Federal acquisition of real property

(a) In general

Where the Secretary, after consultation with any local educational agency and with the appropriate State educational agency, determines for a fiscal year ending prior to October 1, 2003—

- (1) that the United States owns Federal property in the local educational agency, and that such property—

(A) has been acquired by the United States since 1938;

(B) was not acquired by exchange for other Federal property in the local educational agency which the United States owned before 1939; and

(C) had an assessed value (determined as of the time or times when so acquired) aggregating 10 percent or more of the assessed value of—

(i) all real property in the local educational agency (similarly determined as of the time or times when such Federal property was so acquired); or

(ii) all real property in the local educational agency as assessed in the first year preceding or succeeding acquisition, whichever is greater, only if—

(I) the assessment of all real property in the local educational agency is not made at the same time or times that such Federal property was so acquired and assessed; and

(II) State law requires an assessment be made of property so acquired; and

(2) that such agency is not being substantially compensated for the loss in revenue resulting from such ownership by increases in revenue accruing to the agency from the conduct of Federal activities with respect to such Federal property,

then such agency shall be eligible to receive the amount described in subsection (b) of this section.

(b) Amount

(1) In general

(A)(i)(I) Subject to subclauses (II) and (III), the amount that a local educational agency shall be paid under subsection (a) of this section for a fiscal year shall be calculated in accordance with paragraph (2).

(II) Except as provided in subclause (III), the Secretary may not reduce the amount of a payment under this section to a local educational agency for a fiscal year by (aa) the amount equal to the amount of revenue, if any, the agency received during the previous fiscal year from activities conducted on Federal property eligible under this section and located in a school district served by the agency, including amounts received from any Federal department or agency (other than the Department of Education) from such activities, by reason of receipt of such revenue, or (bb) any other amount by reason of receipt of such revenue.

(III) If the amount equal to the sum of (aa) the proposed payment under this section to a local educational agency for a fiscal year and (bb) the amount of revenue described in subclause (II)(aa) received by the agency during the previous fiscal year, exceeds the maximum amount the agency is eligible to receive under this section for the fiscal year involved, then the Secretary shall reduce the amount of the proposed payment under this section by an amount equal to such excess amount.

(ii) For purposes of clause (i), the amount of revenue that a local educational agency receives during the previous fiscal year from activities conducted on Federal property shall not include payments received by the agency from the Secretary of Defense to support—

(I) the operation of a domestic dependent elementary or secondary school; or

(II) the provision of a free public education to dependents of members of the Armed Forces residing on or near a military installation.

(B) If funds appropriated under section 7714(a) of this title are insufficient to pay the amount determined under subparagraph (A), the Secretary shall calculate the payment for each eligible local educational agency in accordance with subsection (h) of this section.

(C) Notwithstanding any other provision of this subsection, a local educational agency may not be paid an amount under this section that, when added to the amount such agency receives under section 7703(b) of this title, exceeds the maximum amount that such agency is eligible to receive for such fiscal year under section 7703(b)(1)(C) of this title, or the maximum amount that such agency is eligible to receive for such fiscal year under this section, whichever is greater.

(2) Application of current levied real property tax rate

In calculating the amount that a local educational agency is eligible to receive for a fiscal year, the Secretary shall apply the current levied real property tax rate for current expenditures levied by fiscally independent local educational agencies, or imputed for fiscally dependent local educational agencies, to the current annually determined aggregate assessed value of such acquired Federal property.

(3) Determination of aggregate assessed value

Such aggregate assessed value of such acquired Federal property shall be determined on the basis of the highest and best use of property adjacent to such acquired Federal property as of the time such value is determined, and provided to the Secretary, by the local official responsible for assessing the value of real property located in the jurisdiction of such local educational agency for the purpose of levying a property tax.

(c) Applicability to Tennessee Valley Authority Act

For the purpose of this section, any real property with respect to which payments are being made under section 13 of the Tennessee Valley Authority Act of 1933 [16 U.S.C. 831] shall not be regarded as Federal property.

(d) Ownership by United States

The United States shall be deemed to own Federal property for the purposes of this chapter, where—

(1) prior to the transfer of Federal property, the United States owned Federal property meeting the requirements of subparagraphs (A), (B), and (C) of subsection (a)(1) of this section; and

(2) the United States transfers a portion of the property referred to in paragraph (1) to another nontaxable entity, and the United States—

(A) restricts some or any construction on such property;

(B) requires that the property be used in perpetuity for the public purposes for which the property was conveyed;

(C) requires the grantee of the property to report to the Federal Government (or its agent) regarding information on the use of the property;

(D) except with the approval of the Federal Government (or its agent), prohibits the sale, lease, assignment, or other disposal of the property unless such sale, lease, assignment, or other disposal is to another eligible government agency; and

(E) reserves to the Federal Government a right of reversion at any time the Federal Government (or its agent) deems it necessary for the national defense.

(e) Local educational agency containing Forest Service land and serving certain counties

Beginning with fiscal year 1995, a local educational agency shall be deemed to meet the requirements of subsection (a)(1)(C) of this section if such local educational agency meets the following requirements:

(1) Acreage and acquisition by the Forest Service

The local educational agency serves a school district that contains between 20,000 and 60,000 acres of land that has been acquired by the Forest Service of the Department of Agriculture between 1915 and 1990, as demonstrated by written evidence from the Forest Service satisfactory to the Secretary.

(2) County charter

The local educational agency serves a county chartered under State law in 1875 or 1890.

(f) Special rule

(1) Beginning with fiscal year 1994, and notwithstanding any other provision of law limiting the period during which fiscal year 1994 funds may be obligated, the Secretary shall treat the local educational agency serving the Wheatland R-II School District, Wheatland, Missouri, as meeting the eligibility requirements of section 2(a)(1)(C) of the Act of September 30, 1950 (Public Law 874, 81st Congress) (as such section was in effect on the day preceding October 20, 1994) (20 U.S.C. 237(a)(1)(C)) or subsection (a)(1)(C) of this section.

(2) For each fiscal year beginning with fiscal year 1999, the Secretary shall treat the Webster School District, Day County, South Dakota as meeting the eligibility requirements of subsection (a)(1)(C) of this section.

(3) For each fiscal year beginning with fiscal year 2000, the Secretary shall treat the Central Union, California; Island, California; Hill City, South Dakota; and Wall, South Dakota local educational agencies as meeting the eligibility requirements of subsection (a)(1)(C) of this section.

(4) For the purposes of payments under this section for each fiscal year beginning with fiscal year 2000, the Secretary shall treat the Hot Springs, South Dakota local educational agency as if it had filed a timely application under this section for fiscal year 1994 if the Secretary has received the fiscal year 1994 application, as well as Exhibits A and B not later than December 1, 1999.

(5) For purposes of payments under this section for each fiscal year beginning with fiscal

year 2000, the Secretary shall treat the Hue-neme, California local educational agency as if it had filed a timely application under this section if the Secretary has received the fiscal year 1995 application not later than December 1, 1999.

(g) Former districts

(1) In general

Where the school district of any local educational agency described in paragraph (2) is formed at any time after 1938 by the consolidation of two or more former school districts, such agency may elect (at any time such agency files an application under section 7705 of this title) for any fiscal year after fiscal year 1994 to have (A) the eligibility of such local educational agency, and (B) the amount which such agency shall be eligible to receive, determined under this section only with respect to such of the former school districts comprising such consolidated school districts as such agency shall designate in such election.

(2) Eligible local educational agencies

A local educational agency referred to in paragraph (1) is any local educational agency that, for fiscal year 1994 or any preceding fiscal year, applied for and was determined eligible under section 2(c) of the Act of September 30, 1950 (Public Law 874, 81st Congress) as such section was in effect for such fiscal year.

(h) Payments with respect to fiscal years in which insufficient funds are appropriated

For any fiscal year for which the amount appropriated under section 7714(a) of this title is insufficient to pay to each eligible local educational agency the full amount determined under subsection (b) of this section, the Secretary shall make payments to each local educational agency under this section as follows:

(1) Foundation payments for pre-1995 recipients

(A) In general

The Secretary shall first make a foundation payment to each local educational agency that is eligible to receive a payment under this section for the fiscal year involved and that filed, or has been determined pursuant to statute to have filed a timely application, and met, or has been determined pursuant to statute to meet, the eligibility requirements of section 2(a)(1)(C) of the Act of September 30, 1950 (Public Law 874, 81st Congress) (as such section was in effect on the day preceding October 20, 1994) for any of the fiscal years 1989 through 1994.

(B) Amount

The amount of a payment under subparagraph (A) for a local educational agency shall be equal to 38 percent of the local educational agency's maximum entitlement amount under section 2 of the Act of September 30, 1950, for fiscal year 1994 (or if the local educational agency did not meet, or has not been determined pursuant to statute to meet, the eligibility requirements of section 2(a)(1)(C) of the Act of September 30, 1950 for fiscal year 1994, the local educational agency's maximum entitlement

amount under such section 2 for the most recent fiscal year preceding 1994).

(C) Insufficient appropriations

If the amount appropriated under section 7714(a) of this title is insufficient to pay the full amount determined under this paragraph for all eligible local educational agencies for the fiscal year, then the Secretary shall ratably reduce the payment to each local educational agency under this paragraph.

(2) Payments for 1995 recipients

(A) In general

From any amounts remaining after making payments under paragraph (1) for the fiscal year involved, the Secretary shall make a payment to each eligible local educational agency that received a payment under this section for fiscal year 1995, or whose application under this section for fiscal year 1995 was determined pursuant to statute to be timely filed for purposes of payments for subsequent fiscal years.

(B) Amount

The amount of a payment under subparagraph (A) for a local educational agency shall be determined as follows:

(i) Calculate the difference between the amount appropriated to carry out this section for fiscal year 1995 and the total amount of foundation payments made under paragraph (1) for the fiscal year.

(ii) Determine the percentage share for each local educational agency described in subparagraph (A) by dividing the assessed value of the Federal property of the local educational agency for fiscal year 1995 determined in accordance with subsection (b)(3) of this section, by the total eligible national assessed value of the eligible Federal property of all such local educational agencies for fiscal year 1995, as so determined.

(iii) Multiply the percentage share described in clause (ii) for the local educational agency by the amount determined under clause (i).

(3) Subsection (i) recipients

From any funds remaining after making payments under paragraphs (1) and (2) for the fiscal year involved, the Secretary shall make payments in accordance with subsection (i) of this section.

(4) Remaining funds

From any funds remaining after making payments under paragraphs (1), (2), and (3) for the fiscal year involved—

(A) the Secretary shall make a payment to each local educational agency that received a foundation payment under paragraph (1) for the fiscal year involved in an amount that bears the same relation to 25 percent of the remainder as the amount the local educational agency received under paragraph (1) for the fiscal year involved bears to the amount all local educational agencies received under paragraph (1) for the fiscal year involved; and

(B) the Secretary shall make a payment to each local educational agency that is eligible to receive a payment under this section for the fiscal year involved in an amount that bears the same relation to 75 percent of the remainder as a percentage share determined for the local educational agency (by dividing the maximum amount that the agency is eligible to receive under subsection (b) of this section by the total of the maximum amounts for all such agencies) bears to the percentage share determined (in the same manner) for all local educational agencies eligible to receive a payment under this section for the fiscal year involved, except that, for the purpose of calculating a local educational agency's maximum amount under subsection (b) of this section, data from the most current fiscal year shall be used.

(i) Special payments

(1) In general

For any fiscal year beginning with fiscal year 2000 for which the amount appropriated to carry out this section exceeds the amount so appropriated for fiscal year 1996 and for which subsection (b)(1)(B) of this section applies, the Secretary shall use the remainder described in subsection (h)(3) of this section for the fiscal year involved (not to exceed the amount equal to the difference between (A) the amount appropriated to carry out this section for fiscal year 1997 and (B) the amount appropriated to carry out this section for fiscal year 1996) to increase the payment that would otherwise be made under this section to not more than 50 percent of the maximum amount determined under subsection (b) of this section for any local educational agency described in paragraph (2).

(j) Repealed. Pub. L. 107-110, title VIII, § 801(d), Jan. 8, 2002, 115 Stat. 1948

(k) Special rule

For purposes of payments under this section for each fiscal year beginning with fiscal year 1998—

(1) the Secretary shall, for the Stanley County, South Dakota local educational agency, calculate payments as if subsection (e) of this section had been in effect for fiscal year 1994; and

(2) the Secretary shall treat the Delaware Valley, Pennsylvania local educational agency as if it had filed a timely application under section 2 of Public Law 81-874 for fiscal year 1994.

(l) Prior year data

Notwithstanding any other provision of this section, in determining the eligibility of a local educational agency for a payment under subsection (b) or (h)(4)(B) of this section for a fiscal year, and in calculating the amount of such payment, the Secretary—

(1) shall use data from the prior fiscal year with respect to the Federal property involved, including data with respect to the assessed value of the property and the real property tax rate for current expenditures levied against or imputed to the property; and

(2) shall use data from the second prior fiscal year with respect to determining the amount of revenue referred to in subsection (b)(1)(A)(i) of this section.

(m) Eligibility

(1) Old Federal property

Except as provided in paragraph (2), a local educational agency that is eligible to receive a payment under this section for Federal property acquired by the Federal Government, before October 30, 2000, shall be eligible to receive the payment only if the local educational agency submits an application for a payment under this section not later than 7 years after October 30, 2000.

(B) the local educational agency submits an application for a payment under this section not later than 7 years after the date of acquisition of the Federal property acquired after October 30, 2000.

(3) New Federal property

A local educational agency that is eligible to receive a payment under this section for Federal property acquired by the Federal Government after October 30, 2000, shall be eligible to receive the payment only if the local educational agency submits an application for a payment under this section not later than 7 years after the date of acquisition.

(n) Loss of eligibility

(1) In general

Notwithstanding any other provision of this section, the Secretary shall make a minimum payment to a local educational agency described in paragraph (2), for the first fiscal year that the agency loses eligibility for assistance under this section as a result of prop-

EFFECTIVE DATE OF 2002 AMENDMENT

Amendment by Pub. L. 107-110 effective Jan. 8, 2002, and effective with respect to appropriations for use under this subchapter for fiscal year 2002, see section 5 of Pub. L. 107-110, set out as an Effective Date note under section 6301 of this title.

§ 7703. Payments for eligible federally connected children

(a) Computation of payment

(1) In general

For the purpose of computing the amount that a local educational agency is eligible to receive under subsection (b) or (d) of this section for any fiscal year, the Secretary shall determine the number of children who were in average daily attendance in the schools of such agency, and for whom such agency provided free public education, during the preceding school year and who, while in attendance at such schools—

(A)(i) resided on Federal property with a parent employed on Federal property situated in whole or in part within the boundaries of the school district of such agency; or

(ii) resided on Federal property with a parent who is an official of, and accredited by, a foreign government and is a foreign military officer;

(B) resided on Federal property and had a parent on active duty in the uniformed services (as defined in section 101 of title 37);

(C) resided on Indian lands;

(D)(i) had a parent on active duty in the uniformed services (as defined by section 101 of title 37) but did not reside on Federal property; or

(ii) had a parent who is an official of, and has been accredited by, a foreign government and is a foreign military officer but did not reside on Federal property;

(E) resided in low-rent housing;

(F) resided on Federal property and is not described in subparagraph (A) or (B); or

(G) resided with a parent employed on Federal property situated—

(i) in whole or in part in the county in which such agency is located, or in whole or in part in such agency if such agency is located in more than one county; or

(ii) if not in such county, in whole or in part in the same State as such agency.

(2) Determination of weighted student units

For the purpose of computing the basic support payment under subsection (b) of this section, the Secretary shall calculate the total number of weighted student units for a local educational agency by adding together the results obtained by the following computations:

(A) Multiply the number of children described in subparagraphs (A) and (B) of paragraph (1) by a factor of 1.0.

(B) Multiply the number of children described in paragraph (1)(C) by a factor of 1.25.

(C) Multiply the number of children described in subparagraphs (A) and (B) of paragraph (1) by a factor of .35 if the local educational agency has—

(i) a number of such children described in such subparagraphs which exceeds 5,000; and

(ii) an average daily attendance for all children which exceeds 100,000.

(D) Multiply the number of children described in subparagraph (D) of paragraph (1) by a factor of .20.

(E) Multiply the number of children described in subparagraph (E) of paragraph (1) by a factor of .10.

(F) Multiply the number of children described in subparagraphs (F) and (G) of paragraph (1) by a factor of .05.

(3) Special rule

The Secretary shall only compute a payment for a local educational agency for children described in subparagraph (F) or (G) of paragraph (1) if the number of such children equals or exceeds 1,000 or such number equals or exceeds 10 percent of the total number of students in average daily attendance in the schools of such agency.

(4) Military installation and Indian housing undergoing renovation or rebuilding

(A) In general

(i) For purposes of computing the amount of a payment for a local educational agency for children described in paragraph (1)(D)(i), the Secretary shall consider such children to be children described in paragraph (1)(B) if the Secretary determines, on the basis of a certification provided to the Secretary by a designated representative of the Secretary of Defense, that such children would have resided in housing on Federal property in accordance with paragraph (1)(B) except that such housing was undergoing renovation or rebuilding on the date for which the Secretary determines the number of children under paragraph (1).

(ii) For purposes of computing the amount of a payment for a local educational agency that received a payment for children that resided on Indian lands in accordance with paragraph (1)(C) for the fiscal year prior to the fiscal year for which the local educational agency is making an application, the Secretary shall consider such children to be children described in paragraph (1)(C) if the Secretary determines, on the basis of a certification provided to the Secretary by a designated representative of the Secretary of the Interior or the Secretary of Housing and Urban Development, that such children would have resided in housing on Indian lands in accordance with paragraph (1)(C) except that such housing was undergoing renovation or rebuilding on the date for which the Secretary determines the number of children under paragraph (1).

(i)(I) Children described in paragraph (1)(D)(i) may be deemed to be children described in paragraph (1)(B) with respect to housing on Federal property undergoing renovation or rebuilding in accordance with subparagraph (A)(i) for a period not to exceed 3 fiscal years.

(B) Limitations

(II) The number of children described in paragraph (1)(D)(i) who are deemed to be children described in paragraph (1)(B) with respect to housing on Federal property undergoing renovation or rebuilding in accordance with subparagraph (A)(i) for any fiscal year may not exceed the maximum number of children who are expected to occupy that housing upon completion of the renovation or rebuilding.

(ii)(I) Children that resided on Indian lands in accordance with paragraph (1)(C) for the fiscal year prior to the fiscal year for which the local educational agency is making an application may be deemed to be children described in paragraph (1)(C) with respect to housing on Indian lands undergoing renovation or rebuilding in accordance with subparagraph (A)(ii) for a period not to exceed 3 fiscal years.

(II) The number of children that resided on Indian lands in accordance with paragraph (1)(C) for the fiscal year prior to the fiscal year for which the local educational agency is making an application who are deemed to be children described in paragraph (1)(C) with respect to housing on Indian lands undergoing renovation or rebuilding in accordance with subparagraph (A)(ii) for any fiscal year may not exceed the maximum number of children who are expected to occupy that housing upon completion of the renovation or rebuilding.

(5) **Military “Build to Lease” program housing**

(A) In general

For purposes of computing the amount of payment for a local educational agency for

children identified under paragraph (1), the Secretary shall consider children residing in housing initially acquired or constructed under the former section 2828(g) of title 10 (commonly known as the “Build to Lease” program), as added by section 801 of the Military Construction Authorization Act, 1984, to be children described under paragraph (1)(B) if the property described is within the fenced security perimeter of the military facility upon which such housing is situated.

(B) Additional requirements

If the property described in subparagraph (A) is not owned by the Federal Government, is subject to taxation by a State or political subdivision of a State, and thereby generates revenues for a local educational agency that is applying to receive a payment under this section, then the Secretary—

(i) shall require the local educational agency to provide certification from an appropriate official of the Department of Defense that the property is being used to provide military housing; and

(ii) shall reduce the amount of the payment under this section by an amount equal to the amount of revenue from such taxation received in the second preceding fiscal year by such local educational agency, unless the amount of such revenue was taken into account by the State for such second preceding fiscal year and already resulted in a reduction in the amount of State aid paid to such local educational agency.

(b) Basic support payments; insufficient appropriations; State with only one local educational agency

(1) Basic support payments

(A) In general

From the amount appropriated under section 7714(b) of this title for a fiscal year, the Secretary is authorized to make basic support payments to eligible local educational agencies with children described in subsection (a) of this section.

(B) Eligibility

A local educational agency is eligible to receive a basic support payment under subparagraph (A) for a fiscal year with respect to a number of children determined under subsection (a)(1) of this section only if the number of children so determined with respect to such agency amounts to the lesser of—

(i) at least 400 such children; or

(ii) a number of such children which equals at least 3 percent of the total number of children who were in average daily attendance, during such year, at the schools of such agency and for whom such agency provided free public education.

(C) Maximum amount

The maximum amount that a local educational agency is eligible to receive under this paragraph for any fiscal year is the sum of the total weighted student units, as com-

puted under subsection (a)(2) of this section, multiplied by the greater of—

(i) one-half of the average per-pupil expenditure of the State in which the local educational agency is located for the third fiscal year preceding the fiscal year for which the determination is made;

(ii) one-half of the average per-pupil expenditure of all of the States for the third fiscal year preceding the fiscal year for which the determination is made;

(iii) the comparable local contribution rate certified by the State, as determined under regulations prescribed to carry out the Act of September 30, 1950 (Public Law 874, 81st Congress), as such regulations were in effect on January 1, 1994; or

(iv) the average per-pupil expenditure of the State in which the local educational agency is located, multiplied by the local contribution percentage.

(D) Data

If satisfactory data from the third preceding fiscal year are not available for any of the expenditures described in clause (i) or (ii) of subparagraph (C), the Secretary shall use data from the most recent fiscal year for which data that are satisfactory to the Secretary are available.

(E) Special rule

For purposes of determining the comparable local contribution rate under subparagraph (C)(iii) for a local educational agency described in section 222.39(c)(3) of title 34, Code of Federal Regulations, that had its comparable local contribution rate for fiscal year 1998 calculated pursuant to section 222.39 of title 34, Code of Federal Regulations, the Secretary shall determine such comparable local contribution rate as the rate upon which payments under this subsection for fiscal year 2000 were made to the local educational agency adjusted by the percentage increase or decrease in the per pupil expenditure in the State serving the local educational agency calculated on the basis of the second most recent preceding school year compared to the third most recent preceding school year for which school year data are available.

(F) Increase in local contribution rate due to unusual geographic factors

If the current expenditures in those local educational agencies which the Secretary has determined to be generally comparable to the local educational agency for which a computation is made under subparagraph (C) are not reasonably comparable because of unusual geographical factors which affect the current expenditures necessary to maintain, in such agency, a level of education equivalent to that maintained in such other agencies, then the Secretary shall increase the local contribution rate for such agency under subparagraph (C)(iii) by such an amount which the Secretary determines will compensate such agency for the increase in current expenditures necessitated by such unusual geographical factors. The amount of

any such supplementary payment may not exceed the per-pupil share (computed with regard to all children in average daily attendance), as determined by the Secretary, of the increased current expenditures necessitated by such unusual geographic factors.

(G) Beginning with fiscal year 2002, for the purpose of calculating a payment under this paragraph for a local educational agency whose local contribution rate was computed under subparagraph (C)(iii) for the previous year, the Secretary shall use a local contribution rate that is not less than 95 percent of the rate that the LEA received for the preceding year.

(2) Basic support payments for heavily impacted local educational agencies

(A) In general

(i) From the amount appropriated under section 7714(b) of this title for a fiscal year, the Secretary is authorized to make basic support payments to eligible heavily impacted local educational agencies with children described in subsection (a) of this section.

(ii) A local educational agency that receives a basic support payment under this paragraph for a fiscal year shall not be eligible to receive a basic support payment under paragraph (1) for that fiscal year.

(B) Eligibility for continuing heavily impacted local educational agencies

(i) In general

A heavily impacted local educational agency is eligible to receive a basic support payment under subparagraph (A) with respect to a number of children determined under subsection (a)(1) of this section if the agency—

(I) received an additional assistance payment under subsection (f) of this section (as such subsection was in effect on the day before October 30, 2000) for fiscal year 2000; and

(II)(aa) is a local educational agency whose boundaries are the same as a Federal military installation;

(bb) has an enrollment of children described in subsection (a)(1) of this section that constitutes a percentage of the total student enrollment of the agency which is not less than 35 percent, has a per-pupil expenditure that is less than the average per-pupil expenditure of the State in which the agency is located or the average per-pupil expenditure of all States (whichever average per-pupil expenditure is greater), except that a local educational agency with a total student enrollment of less than 350 students shall be deemed to have satisfied such per-pupil expenditure requirement, and has a tax rate for general fund purposes which is not less than 95 percent of the average tax rate for general fund purposes of local educational agencies in the State;

(cc) has an enrollment of children described in subsection (a)(1) of this section that constitutes a percentage of the

total student enrollment of the agency which is not less than 30 percent, and has a tax rate for general fund purposes which is not less than 125 percent of the average tax rate for general fund purposes for comparable local educational agencies in the State;

(dd) has a total student enrollment of not less than 25,000 students, of which not less than 50 percent are children described in subsection (a)(1) of this section and not less than 6,000 of such children are children described in subparagraphs (A) and (B) of subsection (a)(1) of this section; or

(ee) meets the requirements of subsection (f)(2) of this section applying the data requirements of subsection (f)(4) of this section (as such subsections were in effect on the day before October 30, 2000).

(ii) Loss of eligibility

A heavily impacted local educational agency that met the requirements of clause (i) for a fiscal year shall be ineligible to receive a basic support payment under subparagraph (A) if the agency fails to meet the requirements of clause (i) for a subsequent fiscal year, except that such agency shall continue to receive a basic support payment under this paragraph for the fiscal year for which the ineligibility determination is made.

(iii) Resumption of eligibility

A heavily impacted local educational agency described in clause (i) that becomes ineligible under such clause for 1 or more fiscal years may resume eligibility for a basic support payment under this paragraph for a subsequent fiscal year only if the agency meets the requirements of clause (i) for that subsequent fiscal year, except that such agency shall not receive a basic support payment under this paragraph until the fiscal year succeeding the fiscal year for which the eligibility determination is made.

(C) Eligibility for new heavily impacted local educational agencies

(i) In general

A heavily impacted local educational agency that did not receive an additional assistance payment under subsection (f) of this section (as such subsection was in effect on the day before October 30, 2000) for fiscal year 2000 is eligible to receive a basic support payment under subparagraph (A) for fiscal year 2002 and any subsequent fiscal year with respect to a number of children determined under subsection (a)(1) of this section only if the agency is a local educational agency whose boundaries are the same as a Federal military installation (or if the agency is a qualified local educational agency as described in clause (iv)), or the agency—

(I) has an enrollment of children described in subsection (a)(1) of this section that constitutes a percentage of the total student enrollment of the agency that—

(aa) is not less than 50 percent if such agency receives a payment on behalf of children described in subparagraphs (F) and (G) of such subsection; or

(bb) is not less than 40 percent if such agency does not receive a payment on behalf of such children;

(II)(aa) for a local educational agency that has a total student enrollment of 350 or more students, has a per-pupil expenditure that is less than the average per-pupil expenditure of the State in which the agency is located; or

(bb) for a local educational agency that has a total student enrollment of less than 350 students, has a per-pupil expenditure that is less than the average per-pupil expenditure of a comparable local education agency or three comparable local educational agencies in the State in which the local educational agency is located; and

(III) has a tax rate for general fund purposes that is at least 95 percent of the average tax rate for general fund purposes of comparable local educational agencies in the State.

(ii) Resumption of eligibility

A heavily impacted local educational agency described in clause (i) that becomes ineligible under such clause for 1 or more fiscal years may resume eligibility for a basic support payment under this paragraph for a subsequent fiscal year only if the agency is a local educational agency whose boundaries are the same as a Federal military installation (or if the agency is a qualified local educational agency as described in clause (iv)), or meets the requirements of clause (i), for that subsequent fiscal year, except that such agency shall continue to receive a basic support payment under this paragraph for the fiscal year for which the ineligibility determination is made.

(iii) Application

With respect to the first fiscal year for which a heavily impacted local educational agency described in clause (i) applies for a basic support payment under subparagraph (A), or with respect to the first fiscal year for which a heavily impacted local educational agency applies for a basic support payment under subparagraph (A) after becoming ineligible under clause (i) for 1 or more preceding fiscal years, the agency shall apply for such payment at least 1 year prior to the start of that first fiscal year.

(iv) Qualified local educational agency

A qualified local educational agency described in this clause is an agency that meets the following requirements:

(I) The boundaries of the agency are the same as island property designated by the Secretary of the Interior to be property that is held in trust by the Federal Government.

(II) The agency has no taxing authority.

(III) The agency received a payment under paragraph (1) for fiscal year 2001.

(D) Maximum amount for regular heavily impacted local educational agencies

(i) Except as provided in subparagraph (E), the maximum amount that a heavily impacted local educational agency is eligible to receive under this paragraph for any fiscal year is the sum of the total weighted student units, as computed under subsection (a)(2) of this section and subject to clause (ii), multiplied by the greater of—

(I) four-fifths of the average per-pupil expenditure of the State in which the local educational agency is located for the third fiscal year preceding the fiscal year for which the determination is made; or

(II) four-fifths of the average per-pupil expenditure of all of the States for the third fiscal year preceding the fiscal year for which the determination is made.

(ii)(I) For a local educational agency with respect to which 35 percent or more of the total student enrollment of the schools of the agency are children described in subparagraph (D) or (E) (or a combination thereof) of subsection (a)(1) of this section, the Secretary shall calculate the weighted student units of such children for purposes of subsection (a)(2) of this section by multiplying the number of such children by a factor of 0.55.

(II) For a local educational agency that has an enrollment of 100 or fewer children described in subsection (a)(1) of this section, the Secretary shall calculate the total number of weighted student units for purposes of subsection (a)(2) of this section by multiplying the number of such children by a factor of 1.75.

(III) For a local educational agency that does not qualify under (B)(i)(II)(aa)¹ of this subsection and has an enrollment of more than 100 but not more than 1,000 children described in subsection (a)(1) of this section, the Secretary shall calculate the total number of weighted student units for purposes of subsection (a)(2) of this section by multiplying the number of such children by a factor of 1.25.

(E) Maximum amount for large heavily impacted local educational agencies

(i)(I) Subject to clause (ii), the maximum amount that a heavily impacted local educational agency described in subclause (II) is eligible to receive under this paragraph for any fiscal year shall be determined in accordance with the formula described in paragraph (1)(C).

(II) A heavily impacted local educational agency described in this subclause is a local educational agency that has a total student enrollment of not less than 25,000 students, of which not less than 50 percent are chil-

¹So in original. Probably should be "paragraph (2)(B)(i)(II)(aa)".

dren described in subsection (a)(1) of this section and not less than 6,000 of such children are children described in subparagraphs (A) and (B) of subsection (a)(1) of this section.

(ii) For purposes of calculating the maximum amount described in clause (i), the factor used in determining the weighted student units under subsection (a)(2) of this section with respect to children described in subparagraphs (A) and (B) of subsection (a)(1) of this section shall be 1.35.

(F) Data

For purposes of providing assistance under this paragraph the Secretary—

(i) shall use student, revenue, expenditure, and tax data from the third fiscal year preceding the fiscal year for which the local educational agency is applying for assistance under this paragraph; and

(ii) except as provided in subparagraph (C)(i)(I), shall include all of the children described in subparagraphs (F) and (G) of subsection (a)(1) of this section enrolled in schools of the local educational agency in determining (I) the eligibility of the agency for assistance under this paragraph, and (II) the amount of such assistance if the number of such children meet the requirements of subsection (a)(3) of this section.

(G) Determination of average tax rates for general fund purposes

For the purpose of determining average tax rates for general fund purposes for local educational agencies in a State under this paragraph (except under subparagraph (C)(i)(II)(bb)), the Secretary shall use either—

(i) the average tax rate for general fund purposes for comparable local educational agencies, as determined by the Secretary in regulations; or

(ii) the average tax rate of all the local educational agencies in the State.

(H) Eligibility for heavily impacted local educational agencies affected by privatization of military housing

(i) Eligibility

For any fiscal year, a heavily impacted local educational agency that received a basic support payment under this paragraph for the prior fiscal year, but is ineligible for such payment for the current fiscal year under subparagraph (B), (C), (D), or (E), as the case may be, by reason of the conversion of military housing units to private housing described in clause (iii), shall be deemed to meet the eligibility requirements under subparagraph (B) or (C), as the case may be, for the period during which the housing units are undergoing such conversion.

(ii) Amount of payment

The amount of a payment to a heavily impacted local educational agency for a fiscal year by reason of the application of clause (i), and calculated in accordance with subparagraph (D) or (E), as the case

may be, shall be based on the number of children in average daily attendance in the schools of such agency for the fiscal year and under the same provisions of subparagraph (D) or (E) under which the agency was paid during the prior fiscal year.

(iii) Conversion of military housing units to private housing described

For purposes of clause (i), “conversion of military housing units to private housing” means the conversion of military housing units to private housing units pursuant to subchapter IV of chapter 169 of title 10 or pursuant to any other related provision of law.

(3) Payments with respect to fiscal years in which insufficient funds are appropriated

(A) In general

For any fiscal year in which the sums appropriated under section 7714(b) of this title are insufficient to pay to each local educational agency the full amount computed under paragraphs (1) and (2), the Secretary shall make payments in accordance with this paragraph.

(B) Learning opportunity threshold payments in lieu of payments under paragraph (1)

(i) For fiscal years described in subparagraph (A), the Secretary shall compute a learning opportunity threshold payment (hereafter in this subchapter referred to as the “threshold payment”) in lieu of basic support payments under paragraph (1) by multiplying the amount obtained under paragraph (1)(C) by the total percentage obtained by adding—

(I) the percentage of federally connected children for each local educational agency determined by calculating the fraction, the numerator of which is the total number of children described under subsection (a)(1) of this section and the denominator of which is the total number of children in average daily attendance at the schools served by such agency; and

(II) the percentage that funds under paragraph (1)(C) represent of the total budget of the local educational agency, determined by calculating the fraction, the numerator of which is the total amount of funds calculated for each local educational agency under this paragraph, and the denominator of which is the total current expenditures for such agency in the second preceding fiscal year for which the determination is made.

(ii) Such total percentage used to calculate threshold payments under paragraph (1) shall not exceed 100.

(iii) For the purpose of determining the percentages described in subclauses (I) and (II) of clause (i) that are applicable to the local educational agency providing free public education to students in grades 9 through 12 residing on Hanscom Air Force Base, Massachusetts, the Secretary shall consider only that portion of such agency’s total enroll-

ment of students in grades 9 through 12 when calculating the percentage under such subclause (I) and only that portion of the total current expenditures attributed to the operation of grades 9 through 12 in such agency when calculating the percentage under subclause (II).

(iv) In the case of a local educational agency that has a total student enrollment of fewer than 1,000 students and that has a per-pupil expenditure that is less than the average per-pupil expenditure of the State in which the agency is located or less than the average per-pupil expenditure of all the States, the total percentage used to calculate threshold payments under clause (i) shall not be less than 40 percent.

(C) Learning opportunity threshold payments in lieu of payments under paragraph (2)

For fiscal years described in subparagraph (A), the learning opportunity threshold payment in lieu of basic support payments under paragraph (2) shall be equal to the amount obtained under subparagraph (D) or (E) of paragraph (2), as the case may be.

(D) Ratable distribution

For fiscal years described in subparagraph (A), the Secretary shall make payments as a ratable distribution based upon the computations made under subparagraphs (B) and (C).

(4) States with only one local educational agency

(A) In general

In any of the 50 States of the United States in which there is only one local educational agency, the Secretary shall, for purposes of subparagraphs (B) and (C) of paragraph (1) or subparagraphs (B) through (D) of paragraph (2), as the case may be, paragraph (3) of this subsection, and subsection (e) of this section, consider each administrative school district in the State to be a separate local educational agency.

(B) Computation of maximum amount of basic support payment and threshold payment

In computing the maximum payment amount under paragraph (1)(C) or subparagraph (D) or (E) of paragraph (2), as the case may be, and the learning opportunity threshold payment under subparagraph (B) or (C) of paragraph (3), as the case may be, for an administrative school district described in subparagraph (A)—

(i) the Secretary shall first determine the maximum payment amount and the total current expenditures for the State as a whole; and

(ii) the Secretary shall then—

(C) Additional requirements

The additional requirements described in this subparagraph are the following:

(i) For each fiscal year beginning after the date on which the Federal property is transferred, a child described in subparagraph (B) who continues to reside on such property and who continues to receive a free public education at a school of the agency shall be deemed to be a child who resides on Federal property for purposes of computing under the applicable subparagraph of subsection (a)(1) of this section the amount that the agency is eligible to receive under this subsection.

(B) Additional funds

If additional funds become available for making payments under paragraph (1) for such fiscal year, payments that were reduced under subparagraph (A) shall be increased on the same basis as such payments were reduced.

§ 7709. State consideration of payments in providing State aid

(a) General prohibition

Except as provided in subsection (b) of this section, a State may not—

(1) consider payments under this subchapter in determining for any fiscal year—

(A) the eligibility of a local educational agency for State aid for free public education; or

(B) the amount of such aid; or

(2) make such aid available to local educational agencies in a manner that results in less State aid to any local educational agency that is eligible for such payment than such agency would receive if such agency were not so eligible.

(b) State equalization plans

(1) In general

A State may reduce State aid to a local educational agency that receives a payment under section 7702 or 7703(b) of this title (except the amount calculated in excess of 1.0 under section 7703(a)(2)(B) of this title and, with respect to a local educational agency that receives a payment under section 7703(b)(2) of this title, the amount in excess of the amount that the agency would receive if the agency were deemed to be an agency eligible to receive a payment under section 7703(b)(1) of this title and not section 7703(b)(2) of this title) for any fiscal year if the Secretary determines, and certifies under subsection (c)(3)(A) of this section, that the State has in effect a program of State aid that equalizes expenditures for free public education among local educational agencies in the State.

(2) Computation

(A) In general

For purposes of paragraph (1), a program of State aid equalizes expenditures among local educational agencies if, in the second fiscal year preceding the fiscal year for which the determination is made, the amount of per-pupil expenditures made by, or per-pupil revenues available to, the local educational agency in the State with the highest such per-pupil expenditures or revenues did not exceed the amount of such per-pupil expenditures made by, or per-pupil revenues available to, the local educational agency in the State with the lowest such expenditures or revenues by more than 25 percent.

(B) Other factors

In making a determination under this subsection, the Secretary shall—

(i) disregard local educational agencies with per-pupil expenditures or revenues above the 95th percentile or below the 5th percentile of such expenditures or revenues in the State; and

(ii) take into account the extent to which a program of State aid reflects the additional cost of providing free public education in particular types of local educational agencies, such as those that are geographically isolated, or to particular types of students, such as children with disabilities.

(3) Exception

Notwithstanding paragraph (2), if the Secretary determines that the State has substantially revised its program of State aid, the Secretary may certify such program for any fiscal year only if—

(A) the Secretary determines, on the basis of projected data, that the State's program will meet the disparity standard described in paragraph (2) for the fiscal year for which the determination is made; and

(B) the State provides an assurance to the Secretary that, if final data do not demonstrate that the State's program met such standard for the fiscal year for which the determination is made, the State will pay to each affected local educational agency the amount by which the State reduced State aid to the local educational agency.

(c) Procedures for review of State equalization plans

(1) Written notice

(A) In general

Any State that wishes to consider payments described in subsection (b)(1) of this section in providing State aid to local educational agencies shall submit to the Secretary, not later than 120 days before the beginning of the State's fiscal year, a written notice of such State's intention to do so.

(B) Contents

Such notice shall be in the form and contain the information the Secretary requires, including evidence that the State has notified each local educational agency in the

State of such State's intention to consider such payments in providing State aid.

(2) Opportunity to present views

Before making a determination under subsection (b) of this section, the Secretary shall afford the State, and local educational agencies in the State, an opportunity to present their views.

(3) Qualification procedures

If the Secretary determines that a program of State aid qualifies under subsection (b) of this section, the Secretary shall—

(A) certify the program and so notify the State; and

(B) afford an opportunity for a hearing, in accordance with section 7711(a) of this title, to any local educational agency adversely affected by such certification.

(4) Nonqualification procedures

If the Secretary determines that a program of State aid does not qualify under subsection (b) of this section, the Secretary shall—

(A) so notify the State; and

(B) afford an opportunity for a hearing, in accordance with section 7711(a) of this title, to the State, and to any local educational agency adversely affected by such determination.

(d) Treatment of State aid

(1) In general

If a State has in effect a program of State aid for free public education for any fiscal year, which is designed to equalize expenditures for free public education among the local educational agencies of that State, payments under this subchapter for any fiscal year may be taken into consideration by such State in determining the relative—

(A) financial resources available to local educational agencies in that State; and

(B) financial need of such agencies for the provision of free public education for children served by such agency, except that a State may consider as local resources funds received under this subchapter only in proportion to the share that local tax revenues covered under a State equalization program are of total local tax revenues.

(2) Prohibition

A State may not take into consideration payments under this subchapter before such State's program of State aid has been certified by the Secretary under subsection (c)(3) of this section.

(e) Remedies for State violations

(1) In general

The Secretary or any aggrieved local educational agency may, not earlier than 150 days after an adverse determination by the Secretary against a State for violation of subsections (a) or (d)(2) of this section or for failure to carry out an assurance under subsection (b)(3)(B) of this section, and if an administrative proceeding has not been concluded within such time, bring an action in a United States district court against such State for such violations or failure.

(2) Immunity

A State shall not be immune under the 11th amendment to the Constitution of the United States from an action described in paragraph (1).

(3) Relief

The court shall grant such relief as the court determines is appropriate.
